Subject: Yakima: Draft Response Document

Dan,

I have attached the response document. Thanks everyone for working so hard this week to get the document in good shape. It was tough with the competing priorities.

Dan is asking for comments by **noon on Monday March 11th** from the ET, so I propose we do the same.

Once I get all the comments, I will incorporate them into the document that we can work from on Tuesday.

I have scheduled time to meet on Tuesday and Wednesday next week to discuss, if needed.

Thanks.
